

HALLOWEEN FAIRE

This project uses the County Fair pattern for the blocks and settings. Pattern must be purchased separately. The only changes that have been made are to the borders and are noted below.

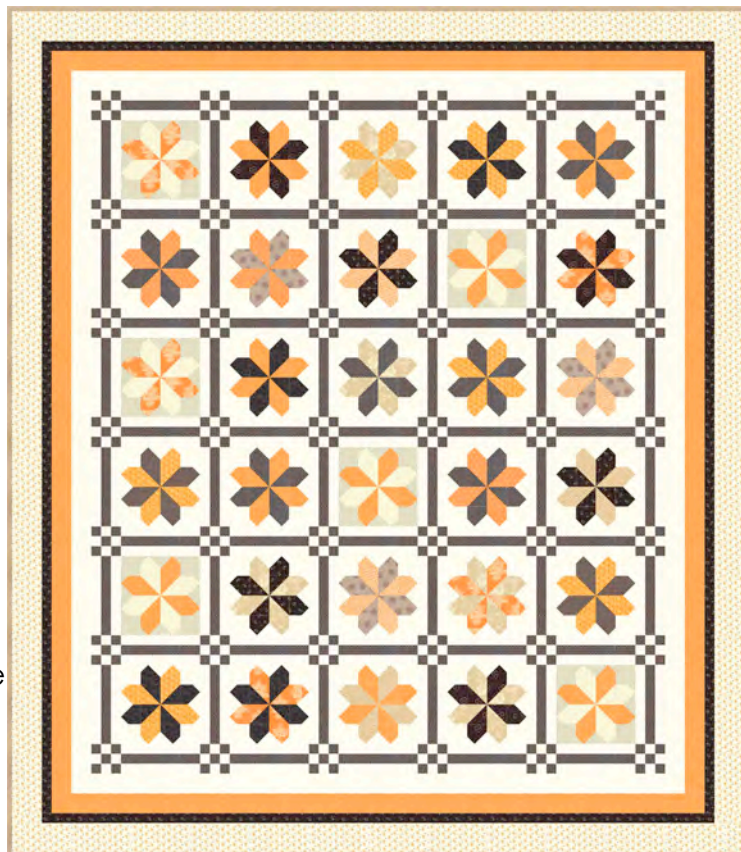

If working from our HALLOWEEN FAIRE BUNDLE:

You are receiving (11) ½ yd. fabrics which gives you enough fabric to make a much larger version of this quilt -or- this quilt and something else Vintage & Halloween!

We hope you enjoy the orange, grey and black goodness!

If you are following our layout and are waiting for the Finishing Kit [arriving in later September when the Farmhouse fabric arrives], take out the black print with the little flowers that look like goosetracks. That will be the black print you use for your inner border #3.

The rest of the fabrics are intended for the blocks.

You have also received 1 ¾ yds. ivory solid with this bundle. That is enough for you to do all of your blocks [if you are wanting to make a few alternate blocks like we did with the Farmhouse cream & black dot as the background, then leave a few blocks undone until the cream print arrives. If you are wanting to do that, you will need to wait until the Finishing Kit as that fabric will be included there. *Note that we used the soft cream print from the bundle as one of our 2 block fabrics for these blocks. We love how the cream & black dot as the background, makes the lighter cream petals stand out!* You will receive more cream to do the sashing and inner border in the Finishing Kit.

Cut a variety of strips, you will need a total of (30). I liked the feel of putting an orange in most of the blocks and alternating the greys and blacks. I also added the cream dot as a background for a few of the blocks like noted in the pattern and above in the notes.
